OVERVIEW

The Casita Nova 350 is an intelligently designed accessory dwelling unit (ADU) that delivers everything you need in a compact, highly efficient floor plan. Featuring approximately 350 square feet of proposed living area, this thoughtfully crafted home provides exceptional functionality while serving as the perfect foundation for a fully customized living space. Every Casita Nova 350 is fully customizable, allowing you to personalize the layout, finishes, fixtures, and exterior design to fit your lifestyle, property, and long-term goals. Whether you're building a guest house, rental unit, private office, vacation retreat, or independent living space for a family member, the Nova 350 can be tailored to your exact vision.
